

Attention Smart People At Clark !!

Attention Smart People At Clark!! You know that abandoned house at 24 Illinois St. behind University Park? You know, the one that you can see used to be a nice little family home before the bank threw the family out? You know, the one that has a cry for justice scrawled in spray paint across the front? You know that house???

Attention smart people at Clark!! Now is your chance to bust the bankster thieves who did this crime. But you must act fast!

The Worcester Anti-Foreclosure Team needs several smart stubborn volunteers to search databases and record books to document their legal case against the thieves.

This work must be COMPLETED before November 2 -- just TWO WEEKS from tonight.

Call WAFT at one of these numbers: xxx-xxx-xxxx or xxx-xxx-xxxx and say you want to help with the Illinois Street case.
