
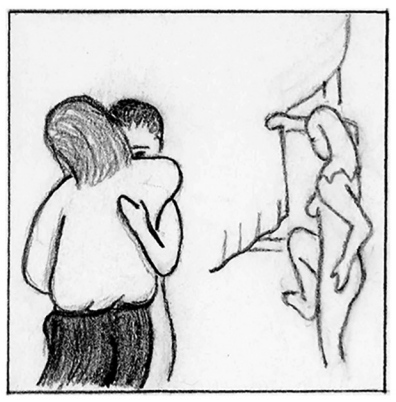
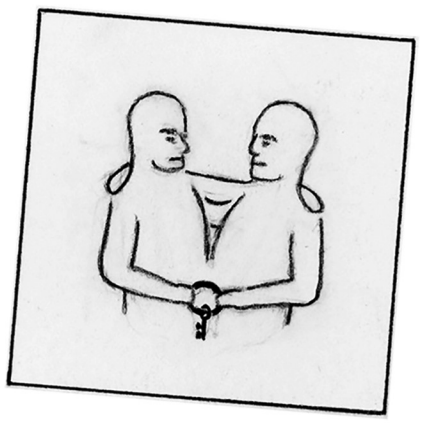
Ace of Wands

Strength, energy,
the enterprise begins.



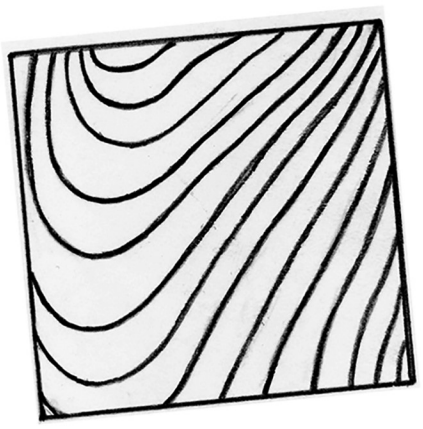
Two of Wands

If one desires,
another will obey,
yet little joy lies with them.



Three of Wands

Fruitful partnership.



Four of Wands

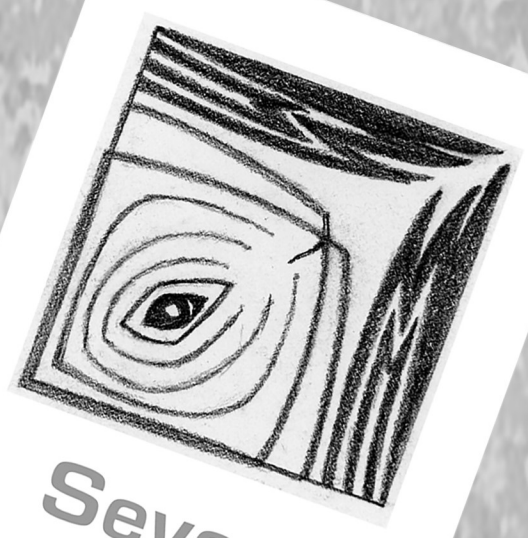
Competence so perfect
it seems like
a natural flow.

Five of Wands

A storm of competition,
this is the law.

Six of Wands

Feet tap the Earth's sea,
a heart beats,
beyond, a god sings.



Seven of Wands

Breaking through at last.
